

## Spanish Standards for True North Homeschool Academy

“Fluency” can come in many forms when learning a language: interpersonal (speaking and listening) and presentational (writing and reading) By referencing the ACTFL proficiency guidelines we are able to assess our students as they progress through their language learning journey. Since everyone learns at different rates and at different times these standards give parents, students and teachers goals and expectations for language learning.

<b>Class name</b>	<b>Grades</b>	<b>Book</b>	<b>Chapters covered</b>	<b>**ACTFL Proficiency</b>
<b>Spanish I</b>	8th-10th	Breaking the Spanish Barrier I	First Steps - Lección 6	Novice high/ Intermediate Low - Intermediate Med
