About True North Homeschool Academy

We have been offering high quality classes for over ten years, live on-line. Two years ago, the company was acquired by long-time homeschooler and educator, Lisa Nehring and re-branded and re-named True North Homeschool Academy. Our program continues to provide exceptional high quality high school classes and has expanded to include K-6th and Junior High courses, Clubs, Testing, Advising, Community and more!

Our Blog, Emails and Face Book Lives focus on quality educational tips, helps and resources to better serve the homeschooling market, with special emphasis on College and Career, Special Needs and Working Homeschooling Moms.

We host a weekly Podcast, “Soft Skills 101: Life Skills for a Digital Age” that explores the importance of a well-rounded and robust education that focuses, not just on excellent academics, but also on character development.

With any brand partnership, your message will be amplified for a confirmed Social Media reach of 18,000 per month!
